Evergreen Church Mission Week July 25-29

Join your Evergreen Church Family, July 25-29, as we "Make an Impact" by loving and serving others in and around our community! This week of serving is for everyone regardless of age or abilities. Come out to serve and connect with others even if you can't join us for the afternoon activities. Participants under the age of 18 must have parental supervision. We will have fun learning and serving together! All activities require advance headcounts. Please contact Dana at youth@evergreenchurch.com to RSVP or for questions. More hands make less work and more fun!
